We acknowledge the sovereignty of the First Nations/Peoples on whose land and sea we live and work; and honour their Elders, past, present and emerging. We particularly recognise the unique journey of Aboriginal and Torres Strait Islander women and the contribution their voices make within our organisation and the wider community.

Vision

We embrace a feminist philosophy.

We validate women's experiences, advocate for women and challenge injustices.

We promote and enhance the health, wellbeing and safety of all women.

We actively promote the development of a socially just, inclusive and respectful society.

We will continue to forge creative, collaborative community partnerships to enhance the position of women.

We demand a world of equality, without sexual violence and assault.

Aims and Directions

1. Be a CENTRE OF EXCELLENCE that is responsive to the unique needs of women in our community
2. Strengthen and develop strategic partnerships and alliances
3. Provide current evidence-based women's services specific to:
Women's Health Services,
Sexual Assault Support Services, and
Homelessness
4. Maintain integrity and a high standard of governance
5. Increase the capacity of The Women's Centre

Objectives

Our feminist framework is informed by empowerment and woman-centred practice, promoting health and wellbeing of all women.

We will:

- » Provide specialist services that are based on best-practice standards;
- » Enhance the safety of women and children by strengthening and valuing community partnerships;
- » Actively encourage and invite inclusion of diversity and incorporate this in our practices;
- » Acknowledge the unique journey and current position of Aboriginal, Torres Strait Islander and Australian South Sea Islander women and work with them to challenge their ongoing barriers; and
- » Strengthen women's position in the community.
